European Technical Approval

(original version is in the English language)

ETA -12/0012

Trade name

Superpipe 2+ piping system

Holder of the approval

**SuperPipe International
Tola Industrial Park
Qeshm Free Area, Iran
www.superpipe.com**

Generic type and use of construction product

**Plastics piping kits for the transport system
of hot and cold water, made of PE-RT Type II**

*(The aspect on the characteristic "effect on the quality of water intended
for human consumption" is NOT addressed in this document)*

Validity from to

**01-03-2012
01-03-2017**

Manufacturing plant

**Pipes:
SuperPipe International
Tola Industrial Park
Qeshm Free Area, Iran**

**Fittings:
Uponor GmbH
Industriestrasse 56
Hassfurt, Germany**

Report number

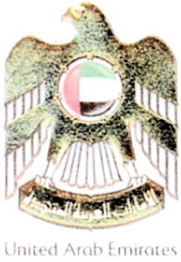

Kiwa K65663

CERTIFICATE OF CONFORMITY

Certificate No. **0060/11** Issue Date: **22 November 2011** Valid Until :**21 November 2014**

The **Emirates Authority for Standardization and Metrology (ESMA)**

Hereby certify that:

SUPERPIPE INTERNATIONAL

Tola Industrial Park ,7951117135
Qeshm, Iran

Has complied with the following published documents:

ESMA General Rules for Emirates Product Certification Scheme

In respect of a certification scheme for the manufacture of

Multilayer Piping Systems for Hot and Cold Water Installations inside Buildings - Pipes and Fittings

These rules have among other things necessitated the submission of samples of the scheduled products for examination and testing by ESMA to the Standards referred to in the schedule. Additionally the scheme requires the firm

- (A) To permit their manufacturer located at Tola Industrial Park ,7951117135 Qeshm, Iran, to be periodically inspected by ESMA.
- (B) To allow samples of the scheduled products to be selected from production, or from the market for independent testing and examination for assurance that continuity of conformity is being maintained

The firm hereby agrees with ESMA to duly observe and comply with the requirements of the scheduled standards, the general and specific rules and with any regulations for the scheme that ESMA may establish.

Dear Sir

WATER REGULATIONS ADVISORY SCHEME
"ITEMS WHICH HAVE PASSED FULL TESTS OF EFFECT ON WATER QUALITY - BS 6920"

We refer to your application for the material(s) described below to be approved arising from the results of the tests of effect on water quality that have been carried out on the product(s) so described, it has been decided that there is no objection to its/their use provided the source, nature and manufacturing processes of the ingredients and products are not changed. (See notes overleaf).

POLYETHYLENE - COMPONENTS

5240

SuperPipe 2+. Yellow coloured, extruded PE-RT/AL/PE-RT multi-layered pipe. For use with water up to 85°C.

Test Report: M104831

1009544

SUPERPIPE INTERNATIONAL

An entry, as above, will accordingly be included in the Water Fittings Directory on-line, Part Two, under the section headed, "Materials which have passed full tests of effect on water quality".

Your attention is drawn to the statement overleaf. Manufacturers or applicants may only quote in their sales literature terms which are used in this letter, namely that the product as listed, having passed the tests of effect on water quality, is suitable for use in contact with potable water and that a reference to the product will be included in the Materials section, Part Two, of the Water Fittings Directory on-line: this may be abbreviated to "Water Regulations Advisory Scheme - Approved Material" or "WRAS - Approved Material". **Approval of this product does not signify the approval of its mechanical or physical properties for any use.**

The Technical Committee of the Scheme reserves the right to review approval. This product automatically becomes due for audit reassessment in September 2015.

Yours faithfully

SuperPipe 2+ piping system

SuperPipe International

STATEMENT BY KIWA

This product certificate is issued by Kiwa on the basis of BRL 5611 "Plastics piping systems of PE-RT/Al intended for heating installations: radiator connections", dd 01-06-2008 in accordance with the Kiwa regulations for product certification.

Kiwa declares that legitimate confidence exists that:

- that the by the producer manufactured products comply with the technical specifications as laid down in this technical approval-with-product certificate provided that they have been marked with the KOMO[®]-mark in the manner as indicated in this technical approval-with-product certificate;
- The with certified products composed SuperPipe 2+ piping system provides the performances as described in the technical approval-with-product certificate, provided that:
 - The manufacturing of the SuperPipe 2+ piping system takes place according to the processing methods as laid down in this technical approval-with-product certificate;
 - The application conditions as described in this technical approval-with-product certificate are met.

Within the framework of this technical approval-with-product certificate Kiwa does not impose any inspections with regard to the production of the SuperPipe 2+ piping system, nor the manufacturing of the SuperPipe 2+ piping system.
