

Solutions for Indoor Air Quality

Grease duct brush 400 mm

Item number: 6420281010774

The Lifa Grease brush nylon is for the cleaning of grease ducts.

The rigid nylon bristles scrape the grease deposit from the surface of the duct. The Lifa Grease duct brush can be used with all Lifa brush cleaning machines for ventilation ducts. The Lifa Grease duct brush is best suited for round ducts.

The Lifa Grease duct brush has a plastic core and attaches to the cleaning machine with the Lifa Brush Chuck.

The Lifa Grease duct brush can be used with all Lifa brush cleaning machines for ventilation ducts. Lifa Pneumatic or Lifa Central Control should be used to centralise brushes in large ducts.
