

## WEIGHT ASSISTED CHIN/DIP XP-4000

Offering modern styling, high quality construction, and superior movements, the XP-4000 is designed to meet the demands of today's commercial fitness facilities and is the perfect compliment to both Paramount's SP and XL circuits.

### MODERN STYLE & DESIGN

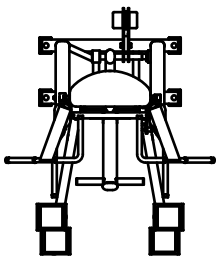

- Streamlined, uniform design using attractive oval shaped tube frames
- Sleek weight stack enclosure limits access to moving parts
- Space efficient foot print

### USER FRIENDLY FEATURES

- Step-By-Step Exercise Chart with easy to follow user instructions
- Pivoting dip handles and multi-position chin bar for exercise variation and to accommodate wide range of users
- Retractable foot platform for bodyweight exercises

### PARAMOUNT RELIABILITY

- 50+ years of manufacturing expertise
- Structural testing of 500,000 cycles
- Meets ASTM and EN-957 Industry Standards
- Worldwide network of authorized sales & service representatives
