

## INTRODUCTION

B.P.I. LLC (Britany Pool International) takes great pleasure in introducing ourselves as one of the leading and experienced contractors in the field of swimming pool construction together with hard and soft landscaping works, operating within the UAE, and having offices in both Dubai and Abu Dhabi.

The company has been specifically structured with U.K. Management to ensure our clients are provided with the highest level of services that is both affordable and reliable, to accomplish this B.P.I. LLC would combine high quality materials, equipment and workmanship together with effective solutions to suit the projects undertaken, including a detailed programmed time frame for all project completion, taking into account the clients particular requirements.

B.P.I. LLC uses only the finest construction and building materials and advanced construction techniques. We have an experienced team of full time tradesmen who specialize in custom designed pools and spas. We have provided a range of superior designs and sourced specific high end materials from around the globe for our clients. Our qualified craftsmen ensure that each project has been customized and finished to the high standards expected by our clients. Our experience is extensive in both residential and commercial projects.

B.P.I. LLC are focused on assisting the client to create their perfect pool and garden environment. Our team of Engineers, Designers, Agriculturists and Irrigation Engineers would take the clients ideas and transforms them into reality. Only when the client is completely happy with the design will we commence construction. The project works are monitored every step of the way and we ensure the client is updated throughout the construction process to provide 100% customer satisfaction.

B.P.I. LLC hallmark is to create an impressive pool-scape to compliment the architecture and location of the property. We deliver exclusive designs focused with functionality through a combination of specialized landscaping and bespoke pools. Together with selected stone or decking, fountains and Water Features illuminated artful Lighting, BPI creates both elegance and drama and perfect garden experience.
