DICEC, DUBAI

The Future of Airport Innovation Starts Here

Co-located Events

Organised by

“

The Middle East aviation industry is witnessing an exciting time with the region recording the second highest passenger traffic growth rate and continuing with its multi-billion-dollar airport expansion and modernisation programs. Whether it is the latest scanning technologies, passenger experiences or robot baggage handlers, the region's airports are investing in the latest of technology and concepts to stay ahead of competition. This exciting time in the industry will be reflected at Airport Show

”

H.H. Sheikh Ahmed bin Saeed Al Maktoum, President of the Dubai Civil Aviation Authority, Chairman of Dubai Airports, Chairman and Chief Executive of Emirates Airlines and Group

AIRPORT SHOW AT A GLANCE

For its 19th edition, the 2019 Airport Show features three co-located events; introducing the inaugural edition of **Smart Airports** and the second edition of both **Airport Security Middle East** and **ATC Forum**.

These four events combine to create the ideal platform for the Middle East, Africa and South Asia's aviation authorities, companies and individuals to come together and collaborate to improve global aviation.

EVENT FEATURES

Global Airport Leaders' Forum

Global Airport Leaders' Forum (GALF) assembles the foremost aviation, policy, business and technology leaders from around the world in an effort to address their needs and provide them with a platform on which they can engage, exchange knowledge, share best practices, forge partnerships and discuss issues of common interest.

350 Delegates | **35** Speakers | **21** Countries

Women in Aviation General Assembly

Run in partnership with key global aviation entities and leading UAE universities and vocational colleges, the Women in Aviation conference is designed to highlight and discuss ways to expand the opportunities for women in this evolving industry.

450 Delegates | **22** Speakers | **108** Companies

CAPA Middle East & Africa Aviation Summit ^{new}

The CAPA Middle East and Africa Aviation Summit, to be held alongside Airport Show 2019, will examine key commercial and operational issues affecting airlines and airports in Africa and the Middle East, focusing on both key domestic markets and growth prospects in key international markets.

250 Delegates | **30** Speakers

Innovation Hub ^{new}

A bespoke customer experience on the show floor, which includes an exclusive pavilion for start-ups and disruptors, international platform for industry launches and a globally recognized and an awards programme for innovations.

Live Seminar Stage

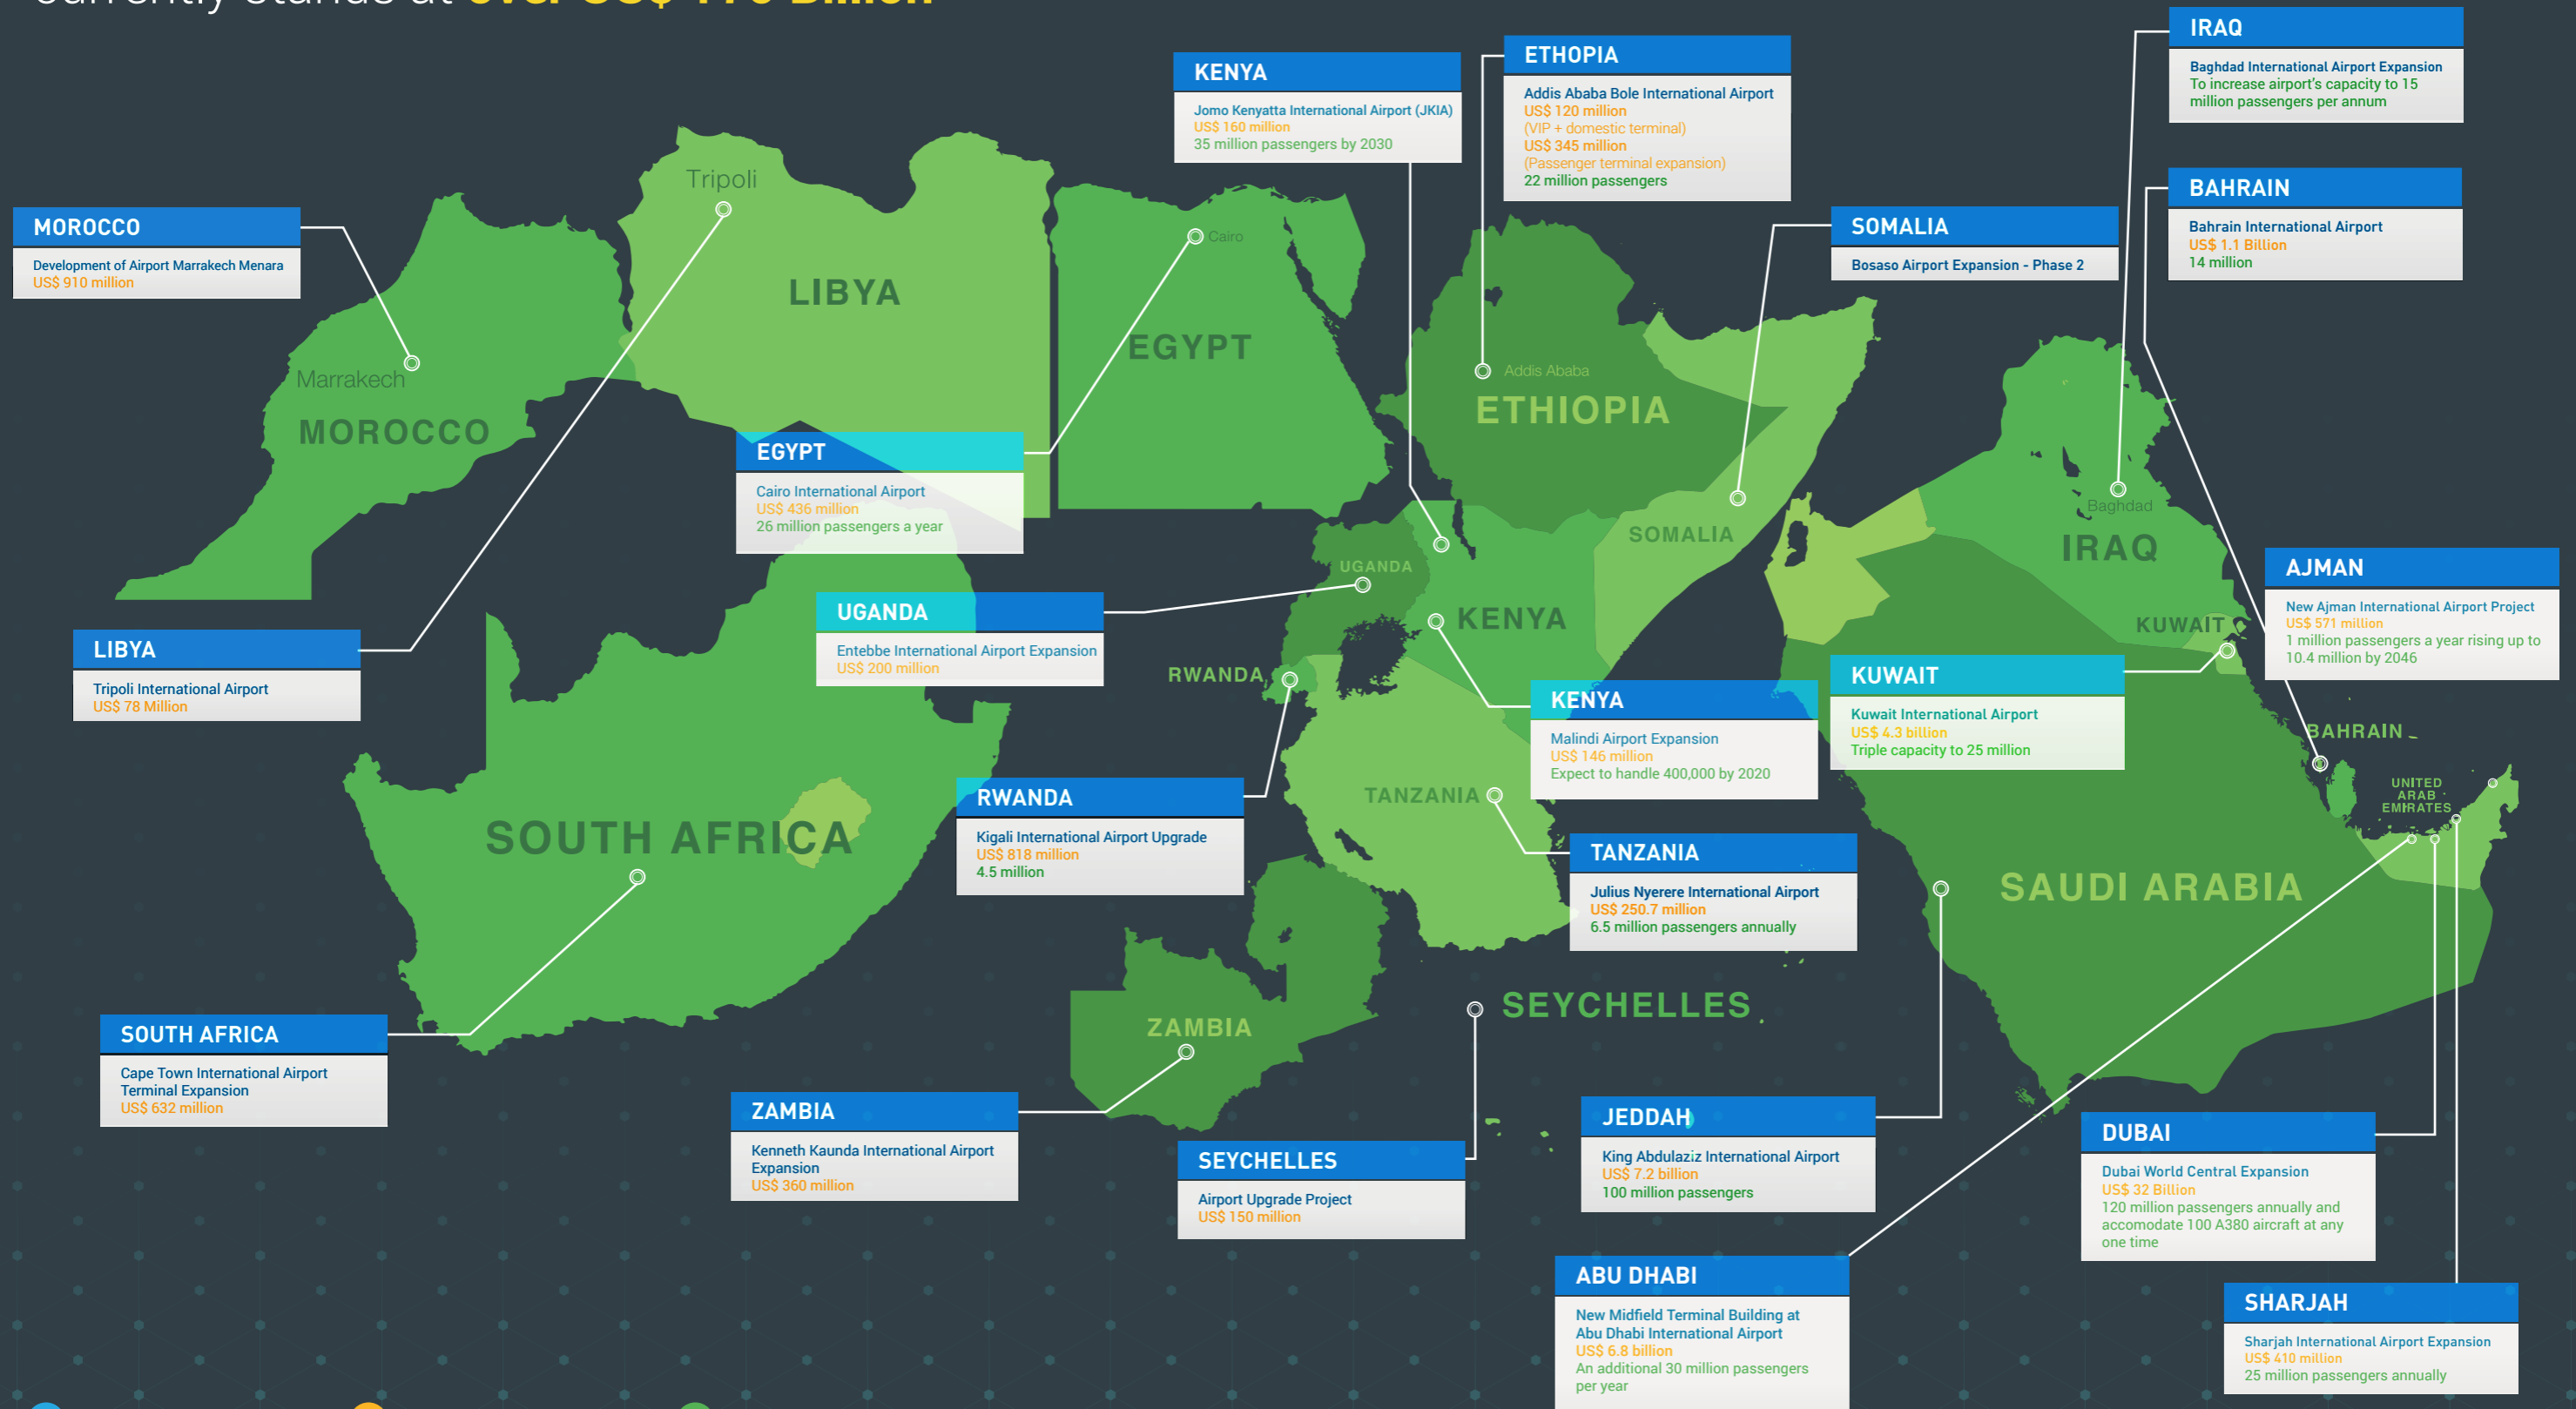

The Live Seminar Stage will provide insightful addresses on diverse topics including passenger satisfaction improvement techniques, intelligent baggage handling, the expanding role of machine learning and artificial intelligence in aviation, runway design and seamless passenger on-boarding.

Seminars are delivered throughout the event and free to attend for all visitors.

20 Speakers | **22** Sessions

INDUSTRY AT A GLANCE

Airport development across Middle East & Africa currently stands at **over US\$ 170 Billion**

● Country/Project ● Estimated Value ● Expected Capacity

EXHIBITOR PROFILE

Exhibiting at Airport Show 2019 is an unparalleled opportunity to place yourself at the centre of the discussion on how best to deliver the next generation of aviation solutions.

94%

of Exhibitors are likely to recommend Airport Show.

-  **Airfield Construction and Installations**
-  **Airport Build and Installations**
-  **Airport Operations**
-  **Airport Technology and IT**
-  **Ground Support Equipment and Services**
-  **Air Traffic Control**
-  **Airport Security**

SEGMENTS COVERED:

| Airfield Construction and Installations

- Airfield Lighting Systems
- Environmental Control (e.g noise/ flight monitoring)
- Hangar Design and Construction
- Marking and Signage
- Pavement Design and Servicing
- Planning, Consultancy and Construction
- Technical Installations (e.g. fuel farm technology, cabling)

| Airport Build and Installations

- Acoustics and Sound
- Baggage Handling Systems
- Cargo Handling Systems
- Construction Industry Supplier
- Consultancies
- Design Consultancy
- Fabrics, Textures and other Materials
- Floor and Wall Finishing
- Illumination, Lighting and Sun Protection
- Parking Equipment and Services
- Passenger Guidance Systems
- Passenger Handling (Build and Installation)
- Passenger Information Technology
- Promotional Displays
- Seating, Lounges and other Furniture
- Shop Furnishings and Catering areas
- Smoking Areas
- Technical Installation in Buildings
- Terminal Signage (e.g. Passenger Areas and Gates)
- Washroom and Accessories

| Airport Operations

- Aircraft Management and Related Services
- Airport Maintenance
- Airport Revenue Management
- Property Management
- Terminal Maintenance
- Training and Recruitment
- Waste Management

| Ground Support Equipment and Services

- Aircraft Docking
- Aircraft Handling
- Aircraft Maintenance
- Airfield Service Equipment
- Baggage Handling
- Cargo Handling
- Consumables and Fluids
- Passenger Handling (Ground Support)
- Other Ground Handling Equipment

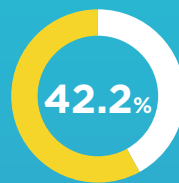

VISITOR PROFILE

Visitors have a unique opportunity to discover the latest emerging aviation trends and advanced technologies that are creating the next generation of modern airports from over 350 companies.

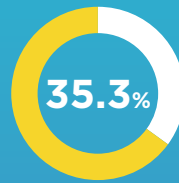

96%

of Visitors said Airport Show is important to their business.

MEETINGS

Exhibitor

- ✓ Pre-schedule one-to-one meetings with buyers, visitors, speakers and other exhibitors, by connecting to the online matchmaking platform
- ✓ Be included in our recommendation email sent to visitors/ buyers relevant to your business
- ✓ Attend networking sessions with buyers (Meet & Greet and Speed Networking) in the Buyer's Club Lounge powered by Business Connect
- ✓ Briefly introduce your product and be part of the VIP Guided Tour (*Airport Show team can't guarantee that VIPs will visit all stands)
- ✓ Use your Exhibitor Privilege Card to access the Buyer's Club Lounge & gain additional networking opportunities during the event days
- ✓ Download our official mobile app; the one-stop shop for all your essentials
- ✓ Stay connected after the event for 2 more weeks. The online digital matchmaking platform remains live to allow you to continue to communicate with your leads and increase connections over email

AIRPORT SECURITY

Following the success of its opening year at last year's event, Airport Security Middle East returns for its second edition alongside Airport Show 2019.

Airport Security has always been a top priority for governments worldwide and will become even more critical as global passenger numbers double over the next twenty years. Nowhere is the challenge of delivering innovative security solutions more essential than in the Middle East, which hosts some of the world's fastest growing airports and airlines today.

The collocated Airport Security ME conference will bring together global and regional aviation, security, government, policy and business leaders and experts, to share their insights and discuss potential risks, regional security projects and how to successfully implement new security strategies and technologies.

WHO WILL YOU MEET?

- Airports
- Airlines
- Cargo Handling
- Customs
- Ground Handling
- Immigrations
- Police and Law Enforcement
- VIP Security
- Civil Aviation Authorities
- Critical Infrastructure Protection

ATC FORUM

The inaugural ATC Forum in 2018 brought together 1,000 attendees, 40 exhibitors and 120 delegates from 80 countries to exchange their knowledge and expertise for the development of the regional aviation industry.

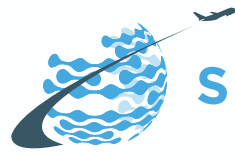

The second edition of the forum, co-located with Airport Show 2019, promises to expand on this success. Exhibiting at this event will connect your company with the most prominent experts and decision makers in the ATC industry today.

From advances in air traffic management and remotely operated systems, to the introduction of drones and other emerging technologies. The co-located conference will focus on finding the most appropriate solutions while encouraging collaboration and knowledge sharing across the industry.

WHO WILL YOU MEET?

- ANSPs
- Airlines
- CAAs
- Educational and Training Organisations
- Government Representatives/Regulators
- Systems Contractors/Suppliers/Manufacturers
- Airports and Airport Authorities
- Consultants/ Industry Experts
- Military

SMART AIRPORTS

new

Launching at Airport Show 2019, Smart Airports aims to put the spotlight on the emerging technologies and solutions that are enabling modern airports to deliver greater operational efficiency and completely transform the passenger experience.

Valued at over US\$20 billion today and expected to surpass US\$60 billion by 2026, investments in smart airport solutions are critical for driving efficiency, increasing security and improving the passenger experience.

The launch of Smart Airports at Airport Show will bring together the most influential innovations that are shaping the design, features and day-to-day operations of the modern airport.

The inaugural Smart Airports conference will bring together the most influential innovations that are shaping the design, features and day-to-day operations of the modern airport.
