

alfanar brings the best of international quality to your home, office, leisure environments. The range encompasses futuristic design with cutting edge technology. Ease of installation have been considered in developing this range.

The design has graceful curves that blend well with surfaces, a significant departure from the boxed-in look available in the market. This elegant simplicity sets new standards in the design of wiring accessories.

Our own state of art research laboratory and manufacturing facility enables us to follow our passion of quality. Each **alfanar** product is subjected to stringent quality tests.

A dedicated dealer network and a team of excellent professionals will be pleased to help service your needs. Together we can stay connected to the future.
